HIGHLY RECOMMENDED

Our daughter Amy and her husband Greg Goehring have created three great restaurant concepts that are unique! And the menus are exceptional! "Three Brothers" at the corner of Fulton and Wales, "91" on Fulton at Lake Cable or Washington Square and "Table Six", North of Everhard Road on Whipple Avenue. Give them a try! You won't be sorry!

Celebrating 48 years of Passion!

Thank you! Just two small words to express so much gratitude! Not a day has gone by in the past 48 years we've been in business that we're not grateful for you stopping by. "You" provide our staff "job security" and a wonderful work atmosphere. Your expectations make us try harder and be "the best we can be" and that's more important than being #1. We hope our staff, our offerings and maybe seeing someone you haven't seen for a while makes your day a little brighter.

Thank You,
Tom & Carol Meldrum

Welcome back to GOOD TIMES food!
